

Seeds of Green

Author: Manoj Pillai

A beginner guide to growing plants and enjoying nature.

Seeds of Green — Chapter 1

This short chapter is part of a sample mini■book created for testing a digital reading platform. It introduces the main ideas of the topic in a simple and friendly way. Readers can explore the theme, imagine stories, and enjoy learning through short reflections. Although this book is brief, it demonstrates how books can be organized and presented in an online reading system.
